

Temporary Office Restrictions

Out of an abundance of caution, we are undertaking the following restrictions to help prevent the spread of covid-19 virus.

- Doors will remain locked during business hours in an effort to control the number of people in the office at any given time. Please knock, we'll come running 😊.
- Dispatch to an assignment, Work-tickets, timesheets, new applications, interviews etc will be affected by the restriction. We know this creates an inconvenience for many of you and we don't like it either.
- We encourage all employees to sign up for direct deposit asap to eliminate any delays in payroll due to these restrictions. Office staff will provide sign up forms to all those interested.
- Phone/Video interviews may be required for new applicants as conditions and situations arise. Our staff will communicate with all applicants via phone/email/text as needed.

New applicants can access our online application here: www.GemStateStaffingJobs.com or my using the QR code below. Most new smart phones only require you open your camera app and scan the QR code image.
